- c) In addition to the £25.00 held in trust a further guarantee fee of £25.00 shall be paid by each team that incurs penalties in excess of £100 in any season as a guarantee of the administrative conduct for that team in the coming season.
- d) Should any such team incur penalties in excess of £100 in the ensuing season, the £50.00 guarantee fee shall be forfeited, and the team shall be required to furnish a further £100 guarantee fee for the following season.
- e) No team may compete in the full Gloucestershire Basketball League program unless the deposit is paid in full.
- f) A guarantee fee of £12.50 shall be paid by teams entering additional GBBA competitions from November to the end of May. The amount will be held in trust and will be refunded on request at the end of the competition programme.
- g) All penalties are to be made by electronic transfer into the GBBA bank account clearly stating the invoice number as the reference point. An email/text message should be sent to the League Administrator confirming payment has been made. If penalties are not paid within 30 days of the date of the notification, the penalty shall be increased by 50%.
- h) If after a further 14 days, the penalty remains unpaid the team will lose their deposit or the amount equivalent to the outstanding penalty and be required to pay a further deposit and remainder of outstanding penalty.
- i) If the penalty and deposit remain outstanding after the 45-day period, all games scheduled to be played will be suspended until all monies due are paid.
- j) The league entry fee shall be £90 which includes entry into the Charity Cup Competition

2. Licenses

- a) Before any player or referee may participate in a match organised by the GBBA, they must be registered with Basketball England and have a valid license.
- b) Independent referees should register in their own right
- c) Any team playing a player not licensed in the prescribed manner shall be deemed to have forfeited the match by default and shall be penalised by a penalty of £50.00.
- d) Before any match organised by the GBBA, all license numbers must be shown in the appropriate column of the official score sheet and the coach must sign off the sheet as the correct record. Failure to comply will lead to a warning on the first instance, followed by a £25.00 penalty for each subsequent breach of this rule.
- e) Clubs with more than one team must recognize their strongest team as their first team. They must then nominate their 6 "best" players when submitting their league entry form.
These 6 players can then only play for the nominated team.
The League will retain the right to request an amendment to the list if it is obvious that the status of a player has altered which deflects from the spirit of the rule.
The process is repeated for all but the last team within the club.
At the end of the process, any club player not nominated to a team, may play for any of the teams within their club, any number of times, during the league season.
- f) Once a player represents a team in a cup or handicap competition, they are excluded from playing for another team in the same cup competition.
- g) Only players who have PLAYED in matches up to and including the Cup and Plate Semi-Finals will be eligible to play in Cup/Plate finals.

- h) The League Secretary will hold a list of players playing in each match.
- i) To facilitate communication between the League and its players and officials it is desirable to hold email addresses for all participants. The GBBA Website will provide a facility for individuals to provide their email address for direct communication. It will then be up to the individual to update/remove this information year on year.

See appendix 1 for registration flow chart to be added once BE final details re registration for season 19/20 are known

3. Fixtures

- a) Gloucestershire Basketball League, Cup, Plate and Handicap Fixtures will be arranged by the Gloucestershire Basketball Association through the Gloucestershire Basketball League, taking into consideration dates indicated on the application form showing availability for games, either home or away.

- g) A team wishing to postpone a game as at f above, must first contact the opponents and, match officials to agree a new date and then make **the request** with new arrangements to the League Secretary
- h) Application to postpone a game with 8 weeks or more notice, will only be accepted if the team making the application are able to agree and provide a new date at the time the application to the league is made.
- i) The league reserves the right to deny such a request if to do so would significantly impact on the ability to fit the rearranged fixture into the competition timetable or place the opposition at a significant disadvantage e.g. number of additional games to be fitted into their schedule.
- j) Should it not be possible to do so the team making the request would be deemed to have forfeited the match and the relevant penalty and point implication would be applied.
- k) Postponement of a game with less than 8 weeks' notice and more than 72 hours' notice will automatically be shown on the website as a forfeit.
- l) A penalty of £25.00 will be levied.

- n) If the agreed new date is submitted to the League Secretary in the prescribed manner the fixtures secretary will reinstate the fixture.
- o) Once reinstated, the fixture becomes active again.
- p) Once the league has agreed a reschedule arrangement any subsequent postponement will result in an automatic forfeit attributed to the team requesting the postponement.
- q) A penalty of £50.00 for forfeiture of a scheduled game will be applied.
- r) If less than 72 hours' notice is given, a penalty of £50 will be levied and the match will automatically be recorded as forfeited.

- v) Where all parties attend the venue and one team is unable to field 5 players registered to that team, the match will be deemed to have been forfeited by the defaulting team.
The match will be awarded to the opposition 20-0 and the appropriate penalty for forfeiture of a match will be applied.
- w) If, at the discretion of the referee(s), a 'friendly' match is played, it will not be counted as a league fixture, however officials should be paid in the normal way, eliminating the need for a claim.
- x) In addition, where a postponement request is made due to cancellation of facilities by the court organisers a administration penalty of £5.00 will be levied for each request.
- y) If the League Secretary agrees to the postponement, refer to 3i), then they will take responsibility, on proof of cancellation by the venue, to rearrange the fixture and reappoint officials.
