<b>24/ 25 LEAGUE FORMATT</b>	<p>Committee are starting to consider what the league format may look like for the upcoming season based on how it has gone this season with the league being split into: pre-Christmas where all team played each other once and the post-Christmas fixtures being split into 2 divisions. Decided this needs to be discussed at the AGM</p> <p>Committee will start to use their networking to put the feelers out for new teams It was noted that the YMCA &amp; Cyclones are unsure on whether they will enter teams for 24/25 as current player rosters are low.</p> <p>It was mentioned that teams playing at home have been strong this season but, player lists are notably different when teams are playing further afield and a discussion was held around how to tackle the issue of teams not wanting to travel 'out of town'.</p> <p>League have been relaxed about re-arranging fixtures and it was decided that this was partially due to the impact that COVID had but, this was 4 years ago now so there is scope to be less relaxed to ensure integrity of matches and sportsmanship It was decided to continue with DD Cup fixtures</p>
